75 ANNIVERSARY

The INDIAN

Diamond Jubilee *Anniversary Edition*

1873 - 1948

•

Foreword

The year 1948 is an outstanding milestone in the history of Anderson Senior High School—since it was 75 years ago, in 1873, that the foundation of our modern school life was laid. The ideals and principles of our present day education have been moulded by the courage and undying spirit of the four original students. This spirit has prevailed for 75 long years—through war and peace, depression and inflation, want and prosperity. Through this spirit of education the gem of knowledge has been so cleverly cut that it has become a diamond that will bring out fires not to be seen in rougher stones. Thus it is that the staff of the 1948 INDIAN presents to you a record of our 75th year's achievements in fulfilling our priceless legacy. May the light of the past be reflected through our Diamond Jubilee casting an even brighter ray on the pathway to the future.

75th Year Highlights

From buggy riding to jallopy racing is a big jump. But each of the past 75 years have been illuminated by their highlights. The convocations, dances, tournaments, plays, pep sessions and vacations all blend together to paint a brilliant picture of the 1947-1948 year in AHS. This record of events passes in review on pages 9-26 as the 75th year fades into our memories.

In The Classroom

"Readin', writin' and 'rithmetic taught to the tune of a hick'ry stick.." That was the cry of '73 and it continues to be the slogan of '48. The hick'ry stick has been supplanted by such modern additions as deans and a public address system. Pages 27-40 show the progress in the classroom as the three "r's" marched throughout our 75th year.

Outside The Classroom

Variety of interests in AHS are very wide if the number of organizations is any criterion. Clubs are open to any wideawake, red-blooded student. Organizations provide the entertainment and self-development which 75 years ago were found in the home. Look closely between pages 41 and 68 as the organizations reveal their growth during our 75th year.....

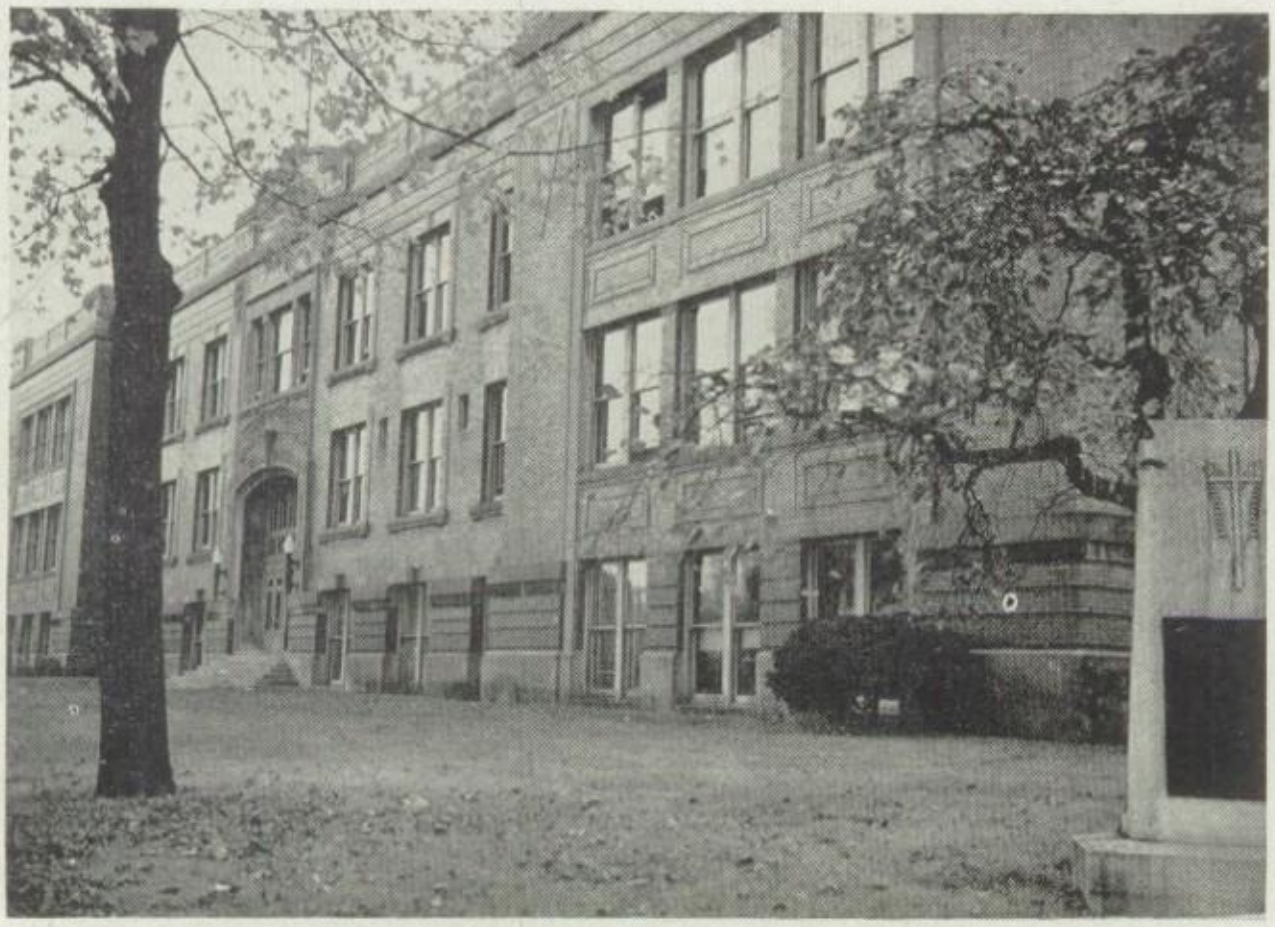
Athletics Comes To Fore

Though 75 years have passed, Grandpa probably would be able to recognize Anderson High's sports. Take the same playing fields, floors, courts, and courses used in'73, add floodlights, bleachers, announcing systems, electric score-boards, new suits and plays and one has the '48 version.

Pages 69-92 contain highlights of the sports season as our 75th year flexed its muscles.

Past Memories--Present Realities --Future Visions

Back in 1873 the city fathers decided that the children of the growing town of Anderson should have an opportunity to carry their education beyond grammar school. Three years later the first graduating class left Anderson High School. There were four members. In the seventy-five years following, many thousands have followed in the footsteps of those first four, building a tradition and a spirit that are unsurpased anywhere. A great number have carried that spirit with them into later life and have become leaders in their



chosen fields.

Symbolic of the growth of A.H.S. is the fact that it has outgrown four buildings. The second of these, located at Twelveth and Main Streets, is pictured above. The present structure, center photo, is becoming overcrowded despite several additions to classroom space and a new building is hoped for. The bottom drawing presents a typical student's conception of our future citadel of knowledge.

But no matter where A.H.S. is housed, its spirit will continue and during the next seventy-five years it will produce an ever increasing number of useful citizens who will become the leaders of future generations.

Year Begins; Convos Reign

"Hey man, isn't that new teacher a chick, though?" "I wonder how soon the next vacation starts?"

Such were the immortal Phrases uttered by students as they propelled their hesitant selves into the halls of A. H.S. on the morning of Sept. 8, 1947.

After countless forms of programs of opening day were filled out, Student Council presented the first convocation of the 75th year. Dr. Harry C. McKeown, student government authority, presented an inspiring talk. Soon music lovers thronged the gymnasium to hear the noted Rubinoff make his violin sing. Jet propelled missles flew and rubber was produced before the startled eyes of science studes at a special General Motors Research program.

At the close of the football and cross country season, the annual lettermen's fall convo was held.

The highlight of the program was the presentation of the State Cross-Country Championship Trophy to Principal Porter by DM Looper, the captain of the Cross-Country Team.

The football squad went through a discouraging and heartbreaking season, fighting hard all the way. The boys elected guard Bob Carraway as the team captain. Better luck for a 1948 season.

One of the most original convos of the year brought forth interesting results with a rather startling styleshow as one of the highlights. A vaiety of talent was discovered among the occupants of AHS, including striking bathing beauties and an interpretation of Al Jolson.

With a rousing "Flying Home", Keith Sylvester and his band opened the musical portion of the program. Keith has organized a vey talented and well-known group since he left Anderson High School.

Cheers rang out in the vicinity of the Green Lantern on a cool November evening when Louis Fontaine announced Nancy Bartl as the "Fall Wind-up" queen. Crowning the popular senior was last year's queen, Dee Ryan. The Cross Country and Football captains, DM Looper and Bob Carraway, then presented her with a bouquet and a gift, respectively.

1947 was the second year for this successful dance, and it has been decided to make the dance an annual affair.

Major Cyr Speaks; Opens Visitors' Day

At the basketball open house this year the fans got an exciting preview of the 1947-'48 Indian season.

The open house set American Education Week off to a flying start. Highlights of each day were programs given over the public address system by Mr. Boyd's speech students.

On Wednesday, the Student Council sponsored its annual Visitors' Day. Guests registered in the front hall and were conducted throughout the building each period by guides. This event was very successful as large numbers of adults obtained first-hand views of A.H.S.

During the week, an all-school convo was held at which Major Paul Cyr spoke. He told of "Adventures of an American Spy." Cyr was active in the French Underground until taken prisoner by the Nazis. Through his vivid relating of many exciting experiences, Major Cyr proved enjoyable to all.

Basketball Line-up

From the first of December till June third there were four very busy students in Anderson High School. These were the Commencement speakers: Joe Fox, Jack Nicholson, Betty Ann Poor, and Gracia Ripple. Much time and preparation was spent on their speeches which were delivered that fateful evening of Commencement.

Commencement Speakers Chosen

A very unique convo was held for the Thanksgiving holiday. Dramatics Club related "The Courtship of Miles Standish," while still-scenes were created by members in picturesque costumes.

One of the early pep sessions of the year occured at the beginning of the basketball season, when the coming basketball linup was announced and spurred on by the cheerleaders and students for the opening game of the season.

The Chamber of Commerce sponsored a spectacular parade at the beginning of the Christmas season, in which high school boys participated by carring numerous balloon figures and animals.

Xmas Comes But Once A Year

"We wish you a Merry Christmas; we wish you a Merry Christmas; we wish you a Merry Christmas, and a Happy New Year!"

Again the merry strains of Christmas carols reached our ears as the well-known Choral Club performed its annual caroling through the halls the day before Christmas vacation.

The candy stand was decorated by students with large candy cane posts, red and green crepe paper, and tinsel. There were also Christmas trees in the front hall covered with an abundance of icicles and lights, which brightened the hall with their gay colors.

With the visit of Santa Claus, the school closed for a well-earned vacation of two weeks to again convene in January.

IN THE DAILY SCENE

Because of the extremely crowded conditions in AHS every available space is utilized in our school's program. With classes held in the junior high school building, gymnasium, annex, and even on the driver-training and gym lots, in addition to the main building, our "plant" apparently occupies a campus.

Halls filled with students, a lunch counter surrounded by hungry customers, huge lines filing into the gymnasium for another convocation, these are all a part of the daily scene in this, one of our state's largest public secondary schools.

Superintendent

A. R. Chadd

Our Superintendent of Schools, Mr. Archie Chadd, is here seen with an architectural drawing of the proposed Twenty-ninth Street School. Beside his approving such plans as this, Mr. Chadd is responsible for all city school activities. He is also responsible for the purchasing and maintaining of all school property and equipment. We, the class of 1948, express our appreciation.

"No, you can't meet on the 24th. That day is all filled up." That was final, but no one can blame Mr. Porter, our energetic principal, because organizing a schedule is one of his various responsibilities. He is seen here with his secretary, Miss Joan Wade, engrossed in this daily job. The class of 1948 recognizes his able guidance and direction.

Mathematics

"Therefore, angle ABC equals DEF," so proves Keith the calculator. He must be right, too, because the audience isn't complaining. This is one way of making algebra fun; learn how to do a problem, then do it right. But what's ailing Bill, the senior at the right? Could it be that trigonometry is that hard? Impossible!

Picture this; all math teachers posing for one picture! The problem was to keep them quiet. We heard this at that teachers' meeting: "It is clear that angle AEF is similar to ABC. Thus x equals a small fraction of x'," "No, I ignored the subtracted constant numbers." Gad!

Mathematics! Glorious Math! "The science that treats of quantities and magnitudes by use of symbols. The science that treats of the measuring relations, and properties of quantities and magnitudes."

That's what the man said; he said that. But this course isn't as difficult as the dictionary makes it sound. Even though dozens of freshmen strain and strive over an algebra problem, it's always worked. Everything is easy if we just know how to do it, and that's what we go to school for, to find the how, why, and wherefore.

In the study of the various maths, one may take algebra, geometry, trigonometry, calculus, applied math, or general math. In most courses one or two years of some form of math is required, but the greater part is elective. The science of mathematics has been gaining in importance ever since the beginning of time and in modern times it has become immensly necessary.

With the world growing smaller, the valve of foreign languages becomes greater. Under the supervision of Mrs. Edna Whitson, the Foreign Language Dept. is doing its part toward preparing our students for the future. The courses in Spanish and French have become popular because of their value to travelers and businessmen. Latin is useful to everyone since it is the basis of modern English.

The Music Dept., consisting of the vocal and instrumental divisions, has provided many enjoyable programs both for the student body and for outside organizations during this Diamond Anniversary year.

The Business Education Department, directed by Miss Katherine Brown, is the third largest department in this school having 951 active students. Classes offered in this department consist of business math, comercial law, bookkeeping, typing, shorthand, commercial geography, sales management, advanced shorthand, and advanced typing. Business letterwriting, office practice, and comptometry are also taught in these classes. These latter three are included in advanced subjects, typing and shorthand.

Department of Trades and Industry

The department of trades and industry was established in Anderson High School forty years ago, in 1908, under the name of "Vocational Education". Since that time, this department has grown until it has become one of the largest and most important departments in school. It has a total of forty-two classes conducted in five shops and various rooms, and a total of 452 active students.

This department is divided into two different courses of study. One, the technical course, is a more advanced program which is the pre-requisite for college entrance. The other, the pre-apprentice course, is merely a preparatory course for entrance into industry. In this course a boy has a choice of five different specialties in his junior and senior year. These five are machine shop, printing, auto-mech-

Faculty Frolics

As any high school teacher can tell you, pounding knowledge into the brains of his not--too-cooperative little cherubs is no easy task. Nevertheless many A. H. S. faculty members find time to take a lead in outside organizations.

A member of the English Department, Miss Mary Ethel Thurston, had an article published in the Teachers Guide of Reader's Digest. Miss Thurston is also Pres. of the Indiana Council of Teachers of English.

Leo Sanders, who holds several responsible positions in the Amateur Athletic Union, states that he derives most pleasure from the Chairmanship of the National Swimming Committee.

Our principal, Stanley Porter, holds numerous important offices among which are Pres. of the North Central Athletic Conference and President of the Kiwanis Club.

Several A. H. S. instructors are active in the National Education Association. Herman Hallett, J. J. Bailey, Mr. Sanders, and Miss Thurston are members of various national committees.

Holding high positions in state organizations are Miss Mary Ruth Palmer, Pres. of the Indiana State Choral Festival Association; Miss Celia Carson, Sec. of the Indiana State Home Economics Teachers Association; Ray Sherman, member of the Indiana School Study Commission; and John Finney, State Coordinator of the National Council of Geography Teachers.

The Student Council of Anderson High School is composed of two bodies, Student Assembly and Executive Council.

Representing the school as a whole, this year as in times previous, the Student Assembly convened in order to take its important part in school government.

Consisting of one representative from each of the homerooms, with the exception of 1B's, the organization has become a re-

ed guide for school regulations.

liable source of student opinion to aid in the impartial determination of a prescrib-

During past years the Assembly has participated in the organizing of such projects as the one-way stair system, book exchange, and Club Tom-Tom.

The acquiring of buses for the out-of-town athletic events, which had long been desired by students of A. H. S. was accomplished by Student Assembly with the aid of Executive Council.

Confronting the Student Council this year was the problem of persons insisting upon smoking within the set boundaries. Therefore the Assembly appointed a smoking-ban committee which immediately went into action.

Swearin' — "I do," that is.

EXECUTIVES OF COUNCIL

Here is the "mighty mite" group that is behind all activities in Anderson Senior High School. Though small, the Executive Council represents all classes in school and gives the final approval of all new laws proposed by the Student Assembly. Meeting every Tuesday during fourth period in room 108, the Council completed many plans which made this 75th year one of the most outstanding.

The Guidance Committee consisted of a boy and girl from each class with the President of the Council serving with the faculty to plan for Guidance Day.

New uniforms were obtained for the A. H. S. cheerleaders this fall by the Council and Student Assembly combined.

The newest addition to the activties sponsored by Executive Council was the Diamond Jubilee Celebration, a carnival held in the high school auditorium May 14, 1948.

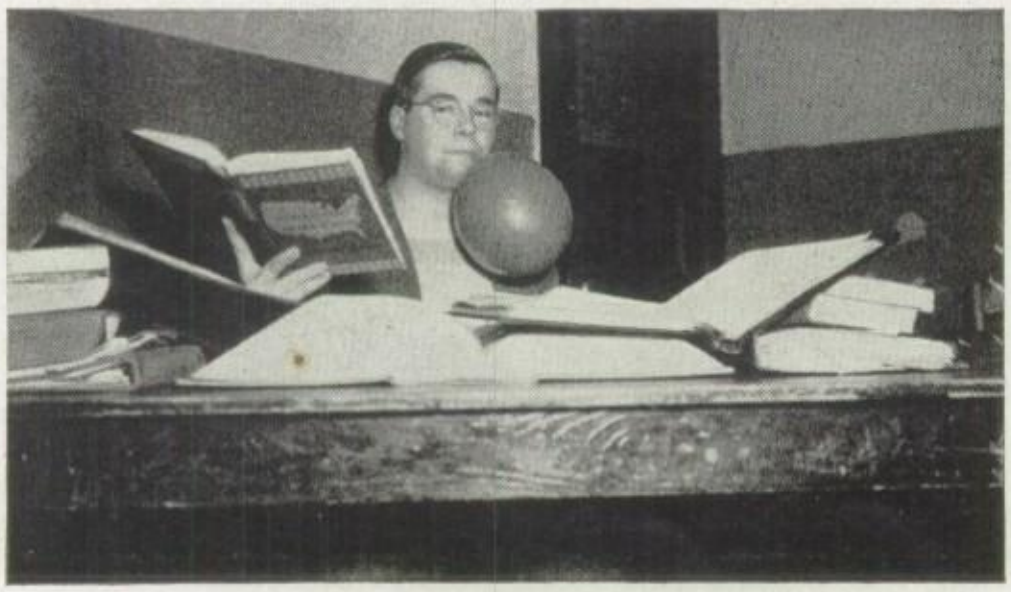
THEY MADE THE GRADE

Altogether--blow--harder--pop! Altogether pull the bubble gum off of your face. This may sound strange, but the truth is that this sort of incident occured at the Honor Society Christmas party. This was the highlight of the year for them and the evening's activities included a supper, contests, and gifts which were contributed and given to underprivileged children.

"I made all A's!"



To reach the more serious side of Honor Society, we find that these persons are well-qualified, since the standards of this club are so high. They are as follows:at least one-half A's, not more than one-fourth C's and no D's or F's. Although these are high standards, the organization has many members. Miss Margaret Mullendore is efficient adviser for this club.

The formal initiation was held in November for the large group of new candidates. The initiation was a very impressive occasion in candlelight· The officers were seated with Miss Mullendore and the candidates ascended the platform and solemly took the oath.

LATIN LINGUISTS

Are you at least a sophomore or have had two years of Latin? If so, you are eligible to become a member of A. H. S. Latin Club.

Just to show you how entertaining and worth your time this organization is, here are a few of the details telling you of this year's activities.

At Christmas they held an annual party, and significant of this time of year, gifts were given to the local Salvation Army.

At each meeting the members enjoyed themselves by participating in Latin games. Talks were given which contained information abobut the life of the Romans.

The Latin Club pins are inscribed with the letters A.H.S. and the name of the organization.

Early in April plans were made for a very different type of meeting. It consisted of a radio script written on the theme of "The Value Of Latin."

EMERGENCY HELPERS

Never let it be said that Anderson High is not conscious of the needs of its fellow citizens. This need might well be the motto which the Junior Red Cross has been striving to live up to during the Diamond Jubilee year.

Topping the list of altruistic activities carried out by this group was the distribution of Chirstmas baskets to underprivileged persons of Anderson. Under the direction of the sponsors, Mrs. Marshall and Mrs. Riggs, this project was so successful that the group should have received special recognition from Santa himself!

Besides giving aid to Andersonians, Red Cross offers innumerable services to needy persons in all forty-eight states.

In 1947 and '48 the Red Cross has relieved suffering and perhaps saved lives by collecting donations to cut down and try to strike out the dreaded disease, infantile paralysis.

As in years previous, our Junior Red Cross will continue to lend that helping hand as long as we students of AHS give our wholehearted support.

A round of costume parties, Open House plays, and impromptu nights rang down the final curtain on another busy year for Dramatics Club.

Activities of this group which added much to the futherance of drama in A. H. S. during the past nine months were many and varied. An individual performance night at which members came in costume produced an umcomparable spectacle. Nowhere else could one see the Jack of Hearts, Romeo and Juliet, and Jack and Jill together on the same program!

The annual Open House, given each spring, was again a huge success. A melodrama, "The Monkey's Paw"; a comedy, "His First Date"; and a farce, "Yankee Nickels", were all presented to a full house.

The thespians displayed their original abilities by creating their own plays from a given plot within a few minutes time at the impromptu night.

Candidates for membership must try out in the fall and then are initiated in February at an impressive candlelight ceremony.

The faculty sponsors, Miss Higman and Miss Long, have efficiently brought to Anderson numerous dramatic successes.

Cans in Hands

With chattering tooths...stood the Hi-Y goofs...with cans in hands... they stood in the line and took your dimes and shouted, "Don't be greedy; help the needy."

As a result of this annual winter activity, the line of dimes successfully collected 671 dollars, an amount considerably larger than obtained any previous year. This sum was used to buy toys and food for a Christmas party given for underprivileged children.

During the school year, Hi-Y sponsored various social activites and were entertained by outside speakers.

Ted Stewart, Y. M. C. A. Secretary, Lowell Lee and Dobbie Lambert, A. H. S. faculty members, lead the organization this year.

TORCH BEARERS

Easter Morning. A time of the year for new exciting bonnets and spring frocks, but the serious meaning was brought to us by our Torch Club.

Over 1000 persons witnessed the annual Easter Sunrise Service held in Shadyside Park under the sponsorship of this civic-minded organization. Rev. Dale Oldam delivered an Easter message and the Choral Club provided traditional music.

Male Sophomores constitute the membership of this organization. They are led by two faculty men, Mr. Armstrong and Mr. Helfrich, plus one "Y" adviser, Mr. Glen Webb.

Programs during this year were designed for all types of interests. At one outstanding meeting membes of the Anderson Packers Ball Club were guests and, on a later date, Rev. George Taggart addressed the club.

Significant red and green Indian head pins were sold during the athletic season, as a project of the group.

After the candlelight initiation ceremony, held at the YMCA early in the fall, any boy seen "carrying a torch" was a full-fledged member of Torch Club.

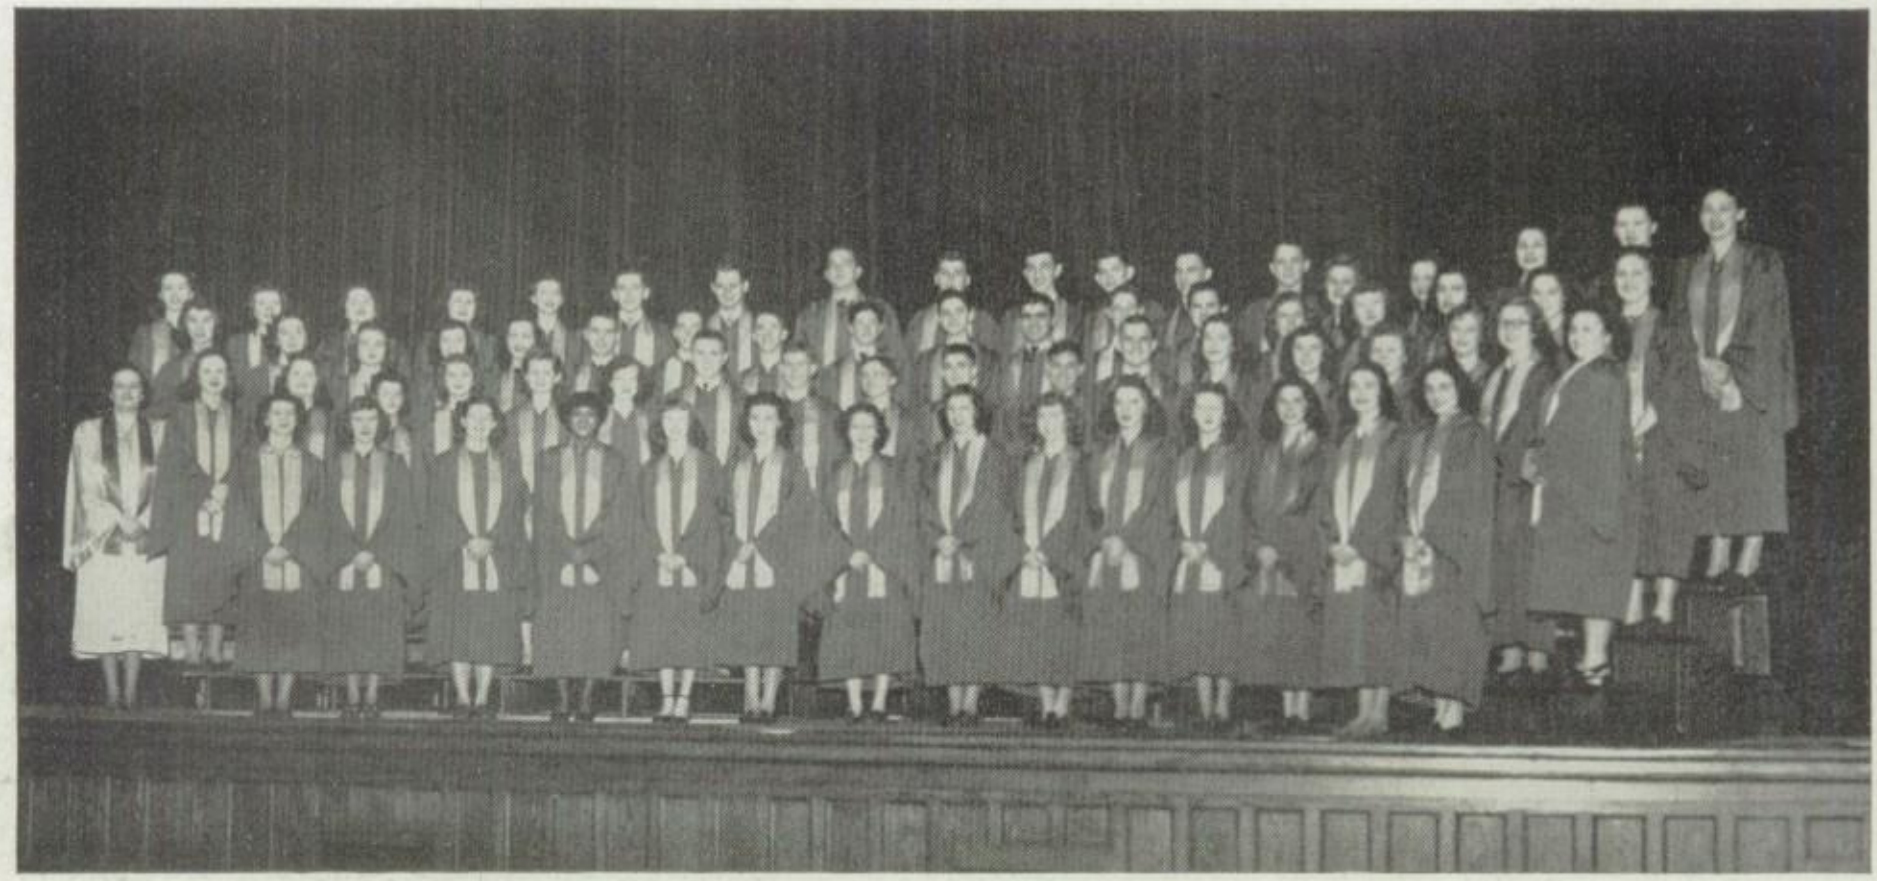
THEY CHORAL IN PURPLE AND GOLD



Paul Lane, president; Bob Boyer, vice-president; Beverly Grant, secretary-treasurer; Miss Palmer, sponsor.

Sixty vocalists clad in purple and gold robes describes the Choral Club, which assembled many times this school year and provided musical entertainment for large audiences.

This carefully selected group is lead by Miss Palmer, who chose these vocalists from classes in Glee Club.

Their activities included a Christmas program held in the auditorium and caroling various places throughout the building.

In February, Choral Club successfully produced the operetta, "The Red Mill". Later in the spring they conducted programs for both Palm Sunday and Easter Sunrise services.

During the year this group performed at convocations observing several holidays.

As an April feature, the Madison County Music Festival was held in our high school gymnasium with several outside choral groups participating.

NINETY NIGHTINGALES

The Girls' Glee Club of A.H.S. is our only vocal group that does not perform before an audience.

Any girl may elect this subject and receive one-half credit in music. This class meets regularly under the direction of Miss Palmer. Their objective is to learn vocal fundamentals, and is a preparation toward becoming a member of Choral Club.

GENTLEMEN WARBLERS

Boys' Glee Club consists of approximately forty-five males who are interested in singing and preparing themselves for further vocal advancement.

This group appears in white jackets, dark trousers, white shirts, and black bow ties at each performance.

Their schedule for this year included singing for Lions' Club, Christmas convocation, and conducting a broadcast over station WCBC early in the semester.

CONCERT CHOIRISTERS

At the annual music program in the gymnasium, held during the first semester, the Girls' Concert Choir sang. They were a colorful addition to the program wearing pastel formals.

For outside projects Concert Choir entertained the Lady Lions' Club.

The persons in this one-half credit subject are chosen by Miss Palmer from the members of her Girls' Glee Club.

"Well, I have to meet a deadline....thanks for your interview."

SPECIAL OCCASION MUSICIANS

The Anderson High School Orchestra, composed of students displaying exceptional musical talent chosen by Mr. Rencenberger, provided many pleasant musical moments this year. Outstanding performances were the annual Christmas Music program, Baccalaureate and Commencement. This group of 22 members has a full class period each day for practice. Perhaps this is the main reason for the high standard the Orchestra has attained in school life.

Lively Lassies

Precision marching and baton twirling of Anderson High's Majorettes added necessary color and pageantry to the Diamond Jubilee year. Rest assured, though, that these attractive lassies find it is not all as easy as it looks.

In the early fall, try-outs were held to choose seven well-qualified persons to act a drum majorettes, attendents, and color guards.

These girls have regular duties to perform, such as marching, drilling, and pesenting the colors during all football and basketball games and at other special events, such as the pre-holiday parade and the band concert.

STRIKE UP THE BAND

The familiar Anderson High School song played at the beginning and end of all convocations comes to us through the efforts of theA.H.S. Band under the direction of Mr. Rencenberger, The band has never failed to make a showing at each basketball and football game.

Annually the instrumentalists visit the grade and township schools. Senior and junior high schools also receive enjoyment from their concerts. Besides these activities, the band tours the city on fire trucks promoting fire prevention and clean-up week programs.

The shortage of uniforms was relived when new outfits were received early in April.

The sixty members of band meet each day fourth period for an hour of class.

ROVING HISTORIANS

The sun shined bright on that old History Club bus as it headed for the historical landmark of Stephen Foster's home.

The annual excursions of the organization have become popular with the members since such famous places as Lincoln's birthplace, Bardstown Cathedral and Churchill Downs are visited.

Miss Lindstorm assisted the group at Christmas when they held a party and in the early spring as members sold buttons in individual class colors.

NATURE'S SAVERS

Students of AHS contributed $484.00 to help save the Shades this year.

The drive was conducted by Conservation Club early in the fall. Later in May, the entire club took a field trip to the Shades. Pokagon State Park was another site visited while on a field trip.

During April the boys held their second annual Dad's Night program. The speaker for the evening was Ben Price, who is in the Public Relations Division, State Department of Conservation.

Local speakers and movies provided entertainment at regular meetings.

This was the tenth year for Conservation Club, sponsored by Mr. Finney.

Y. W. TEEN-AGE SENIORS

Seventy-five years ago no one would have dreamed of an active high school organization consisting of 350 girls! Yet this description perfectly fits the Y-Teens.

In reviewing the past year's activities, one sees that service work is the theme of this organization. Besides contributing to the Visiting Nurse Shower and sponsoring several benefit dances, there is no determining the amount of inspiration Y-Teens has given outsiders as well as its members.

The organization is divided into two parts depending on the class rating. One body includes the Freshman-Sophmore girls, and the Junior-Senior classes constitute the other.

Individual programs were presented for each club with the needed assistance of the faculty sponsors, Mrs. Hale and Mrs. Graham.

Besides thir independent programs, the two bodies united this spring and gave a large tea and style show. The tea was arranged and decorated along the theme of St. Patrick's Day, while Spring "new look" styles were shown.

Along with the duties come the pleasures, which are especially enjoyed at coke parties, cabinet meetings, and informal dances.

BOOK LOVERS

"Good Night, Sweet Prince"—ever heard of it? The members of Book Club have since it was one of the outstanding book reviews given by Miss Campbell for them.

Mr. May heads this organization which is still a comparatively new but promising club.

As the name suggests, the members participate in panel discussions regarding novels and authors. This proves interesting to the extent that it induces more reading from better material.

EINSTEIN ENTHUSIASTS

Projects of the Science Club this year included a visit to the light and power power plants, films on science, a variety of experiments, discussions of new scientific developments, and a talk on radio and television.

FUTURE SAWBONES

Interesting occupations bring forth very interesting men. Thus, Pre-Med Club was visited quite a few times this year by such men as Eric Woods, Laboratory Technician, Dr. E. M. Conrad, City Health Officer and numerous others. At one particular meeting, Dr. J. L. Doenges showed films to all of the Pre-Meds of various operations he had performed.

Dr. W. J. Aagesen and Mr. Townsend Albright were among other persons who gave their support to the group. The information received from the speakers provided the members with many enjoyable and profitable programs.

Any student with passing grades and expressing a definite interest in medicine, may have the opportunity to become a member of this club. Mr. Wayne Easterday and Dr. Lloyd Rosenbaum, the sponsors, gave a great deal of support to the organization as it completed its second year in AHS

SWEET SIXTEENERS?

Speaking of newly organized groups, here is one that you might like to be in next year. Yes, it is Seventeen Club! Oh, about like other clubs, you know, four officers, a cabinet with nine members and.....oh, yes, one member representing each class.

But listen to some of the activities. They conduct all of their meetings at the "Y" and it was rumored that Mr. Warren become one of their favorites after that interesting talk on personality.

All girls enjoy things pertaining to personal grooming. That was a good reason for the fun at the cosmetic demonstration advertising Merle Norman products.

This group of girls also think of others. Look what they did at Christmas. All of those girls pitched in and gave Christmas baskets to the needy.

Of course, everyone knocks herself out at a picnic. That's why they had one. There's nothing like being in on all of the fun, so if you want to know more about this club, see Mrs. Vermillion and Mrs. Grahame, the sponsors.

FUTURE FOOD PRODUCERS

Every person taking Vocational Agriculture is entitled to bebcome a member of Future Farmers of America.

During the month of April, this active organization visited various farms over the state and held livestock and dairy judgings.

Annually, in October, vegetable judging is conducted at Purdue University. This activity is important to the group, from the standpoint of honors. On Honor Day letters are given to each person ranking fourth or better on a judging team.

This year, as previously, F. F. A. received recognition at the State Fair. Out of forty beginning teams, the AHS group finished in eleventh place.

Informal initiations are held in the spring and fall, lead by the sponsor, Mr. Wilson.

UNCLE SAM'S ORPHANS

The Veterans Club of AHS functioned this year under the new sponsorship of Mr. Warren. The club was greatly reduced since its organization last year, due to many of its members graduating under the G. I. Bill of Rights. This was apparent in the drop from thirty-three members to only nine.

AMBITIOUS ATHLETES' "A" CLUB

Remember the "A" Club convocation this year? Naturally, Stu Holcomb, the athletic director of Purdue University, was the guest speaker. We found out one reason why great athletes are born. They have such fine coaches.

The entire student body recognizes quickly that famous red sweater with the large green "A" in the center, and we also know that getting one of these significant sweaters is an honor and pleasure.

The members of this group sold hats and pennants during the week of the sectional tournament. Other materials for sale by this club during tournament time were Anderson buttons and large 8x10 pictures of our basketball team.

After letters and awards were made this spring the "A" Club held an initiation to welcome the new members who had become eligible through a season of play.

JUBILEE JOURNALISTS

Printer's rule, roller, big wheel, copy ..... calling Dr. McGoon. A big operation was performed in room 209 this year, namely the 1948 INDIAN.

Annual Publication is the name of this class, which is the newest in the field of journalism to receive credit. The members of the staff begin their duties early in the fall and continhe until spring at which time the Annuals are issued.

The first part of the book to be started pertains to the class pictures.

Following close behind these tears and headaches comes the highlights, organizations, athletics and classrooms. Finally, the local business-men place advertisements in a neat section near the back cover.

Highest praises should be offered to the INDIAN mechanical staff, working under the direction of Mr. Barner. This group is composed of Bob Boyer, Harold Kimmerling, DM Looper and Raymond Raper. Without these persons Operation INDIAN could never have been completed.

You may ask anyone who knows and he can tell you truthfully that the Annual is a major operation to perform.

NOSES FOR NEWS

Fifty-five years ago, December 22, the X-Ray was born. It grew from the Journal a bi-weekly magazine, to our present newspaper.

At least one semester of journalism is required before any individual is eligible to become a member of the staff.

Chauncey Isenhour, the second-term editor this year, made news for the reason that he was the first male in this position since 1942.

A few of the most outstanding columns this year were entitled, "Current News", "The Bull Pen", "Pow Wow" and "Your Student Government".

An attempt was made to elevate local journalistic standards by substituting humor columns and features for gossip.

Over 90% of our stodent body support the X-Ray through subscriptions. Publication representatives in each room were active aids.

COACHES

Coaches new to A.H.S. this year were James Allen from Elwood and Marion Overman, former coach of Central Junior High School.

The athletic director was David Busey who was also head football coach. Other coaches were Marion Overman, Cliff Swift, James Allen, Keith Lambert, David Barrow, Carl Bonge, Ray Fleenor, and Claude Roney.

Also vital to the athletic program was Robert McDowell, who was in charge of the managers and Miss Betty Sizelove, athletic office secretary, who handled all the paper work connected with sports at A.H.S.

Mr. J. Merrill Coffin was again in charge of athletic ticket distribution.

THEY MAKE THE TEAM GO

MANAGERS

It would be impossible to evaluate the tremendous amount of service given by the student managers. These boys do the "dirty work" of the athletic program. Their emblem is a broom rampant upon a dirty towel and their reward, the satisfaction of being an important cog in a machine which produces strong minds and healthy bodies.

Storing equipment, handling laundry, running errands, and keeping the equipment rooms spotlessly clean are some of the responsibilities handled by the managers under the direction of Mr. McDowell.

To this corps of hard-working boys all we can offer is a sincere "thanks" for a "job well done".

WE'LL MURDER 'EM NEXT YEAR

The '47 football campaign was a season of dismal disappointment for AHS especially the outmanned Indian gridders who practiced daily throughout the season and entered each game with an increasing determination only to have victory snatched away by seasoned teams, deep in reserve strength. At the season's end the record stood at nine lost and none won.

Opening the season against Crispus Attucks of Indianapolis, a new school on the Indian's schedule, the Braves were defeated by Crispus Attucks, 7-6; Jeff of Lafayette, 31-6; Muncie Central, 39-26; Marion, 13-0; Shortridge of Indianapolis, 41-12; Tech. of Indianapolis, 32-0; New Castle, 27-6; Richmond, 13-7; Elwood, 12-0.

At the end of the season the team selected senior guard Bob Carraway, Honorary Captain.

For the first time football came into its own in Anderson with large crowds witnessing every game at Denny Field. The largest crowd ever to watch a grid game in Anderson was the crowd of 7,000 on hand for the Muncie Central game.

Largely through the efforts of athletic Director and Head Football Coach David Busey, football was played in grade and junior high schools for the first time, which gave promise of stronger teams for AHS in the future.

FRESHMAN FOOTBALL

Under coaches Keith Lambert and Dave Barrow, the freshmen footballers had a successful season, winning four games while losing three.

The highlight of the year was the game with Jeff of Lafayette. With Anderson leading 13-12 and ten seconds remaining in the contest, Jeff threw a 50 yard desperation pass which was snared by their halfback and carried over the line as the gun popped. The final score: Jeff, 19-Anderson, 13.

CHEERLEADERS

Leading the yells at every game were the four cheerleaders Nancy Bartl, Marvinia Schoonover, Hal Bolen, and Ernie Wiley. In addition to the actual leading of the yells, these four worked throughout the year developing new and better yells. The fourth year of cheerleading for Nancy, a senior, was the first campaign for seniors Hal and Ernie and the lone junior, Marvinia.

Working hand in hand with the yell leaders in planning the pep sessions was the pep sessions committee, composed of eight students and six teachers.

CHEERING

We were a large team, 2400 strong. The dogged fighting spirit which carried the cagers on to the state tournament was echoed in the hearts and voices of the Anderson cheering section, which improved steadily through the year.

It's hard to yell when the cause seems hopeless, but sometimes that kindles a spark on the playing floor which turns into a game-saving rally.

OVER HILL, OVER DALE

Piloted by the "Little Napolean" of Indiana high school track, Carl Bonge, the Indian harriers captured their second consecutive State Cross Country Championship to climax a brilliant fourth straight undefeated season.

Running their meets both on golf courses and between halves of football games, the Tribe defeated with ease, Marion, Wabash, Shortridge, Muncie Central, Indianapolis Tech, and Burris of Muncie. They also won the North Central Conference meet, finishing on top in the Big Ten crosscountry race.

For the first year, sectional meets were held to narrow the field of participants in the state meet held at Indianapolis.

The Edgewood Golf Course was the scene of our Sectional which AHS won by a large margin to qualify for the state meet held at Indianapolis' Coffin Golf Course.

Not only was the team successful in its defense of the state title but John Stayton, leather lunged junior star, remained the individual state cross country champion as he was undefeated throughout the season and led the field in the state contest.

Running a consistant second or third throughout most of the season, D. M. Looper, senior squad member, was elected honorary captain by his teammates at the end of the season.

Squad members receiving varsity letters were: John Stayton, D. M. Looper, Gene Wilson, Bob Belangee, Joe Fox, Frank Smith, Jack Kimble, Russell Smith, Arno Land, and Bob Richards.

This year the cross country received more support than it has ever received in the past with hundreds of spectators at the state meet.

The call for boys at the beginning of the season received the largest response in the history of the sport at AHS.

INDIANS GO THROUGH TO STATE

Following the highest tradition of basketball at Anderson High School, the '47-'48 cage squad was a living testimonial to the sign which hangs in the athletic supply room proclaiming, "Anderson Always Fights." This year's squad will always be remembered when Anderson basketball fans get together to talk great teams, past and present.

Finishing a so-so season with nine wins and eleven losses, the Braves had shown alternate spurts of brilliancy and mediocrity. Entering tourney play the Tribe was given little chance of emerging from their sectional by the "experts."

From the first game of the sectional, however, to the last afternoon game of the state finals the Braves played an inspired brand of basketball to upset favored teams in each round of play before being defeated by the to-be-state-champions, the Bronchos of Jeff of Lafayette.

The course of tourney play produced some of the most dramatic and exciting contests in the history of AHS athletics. The sectional included a double-overtime two-point victory over Pendleton, and the regionals and semi-finals included three games in which Anderson came from behind or protected a slim lead in the last few minutes to win by one point. Favorites Markleville, Washington of Indianapolis, Madison, and Lawrenceburg were victims of the Tribe who were finally stopped by Jeff. of Lafayette with a score of 60-48.

At the end of the season, seniors Dick Peck and Ray Ward were elected honorary co-captains of the squad by their teammates. They were the only senior members of the team. Eight returning lettermen, five juniors and three sophomores, are the boys on whom Anderson is building its hopes for next season.

DUAL TRACK RECORD KEPT ALIVE

Continuing their unbroken string of dual meet victories, the Indian thinlyclads continued to display the superiority of Anderson track, and strengthened forcibly the respect by other schools for the fight and determination of Bonge-coached athletic squads.

After getting off to a late start because of the prolonged basketball season, the Tribe proceeded to defeat Marion, Richmond Kokomo, Muncie, and Tech in dual meets.

Capturing their fourth consecutive Kokomo Relays title and their ninth consecutive N. C. C. meet, the Braves were, however, surprise losers in the Muncie Relays.

Most of the Indians' strength lay in the track events this year with the team being exceptionally strong in the mile, half-mile, quarter-mile runs, and in the two relays. The only field event in which the Red and Green was particularly strong was the broad jump, where Russell Smith starred with leaps of around twenty-two feet.

Only two meets were held at Denny Field, these being the Richmond and Indianapolis Tech contests. Crowd attendance was exceptionally large both at home and away with track realizing an increasingly important role at Anderson.

Participating in several meets, the B team also enjoyed a successful season and gave promise of good things yet to come in Anderson track.

DIAMOND POWER PAYS OFF

Combining a terrific batting attack with consistent, effective pitching, the Red and Green pastimers were one of the state's stronger diamond aggregations as they blasted both conference and non-conference opposition.

Three Indian hurlers, Dick Walker, Chuck Muller and Floyd Kline, pitched masterful ball throughout the season and were helped considerably by the slugging attack which produced an abundance of timely extra-base hits to give the moundsmen a good margin with which to work. Other pitchers were Jerry Oakes and Jim Casey.

Seven lettermen returning from last year formed the nucleus of the team. These were: Edgar Ogden, Dick Walker, Chuck Muller, Bob Belangee, Joe Fox, Dick Douglas and Joe Elliot.

The varsity included six seniors and consisted of Joe Fox, Edgar Ogden, Ernest Turner, Bob Belangee, Joe Elliot, Floyd Kline, Dick Walker, Chuck Muller, Dan Schuyler, Jim Morris, Don Huffer, Ronnie Whitehead, Jim McKinley, Melvin Shaul, Kay Chamberlain, Dick Douglas Jim Strader, Jerry Oakes, Jim Casey, and Bob Rousey.

Again rainy weather caused the postponement of several games and forced the playing of the first two home games of the season to occur on the Anderson College diamond. In all, sixteen games were carded for the season.

A complete set of new uniforms was received before the season started as was also a new batting cage.

Aiding "Doby" Lambert in his coaching duties was Walter Manifold, who is teaching his first year in Anderson at Central Junior High. Coach Manifold formerly played baseball at Butler University. This season he was in charge of the B team, including forty to fifty bobys who worked out daily at Denny Field.

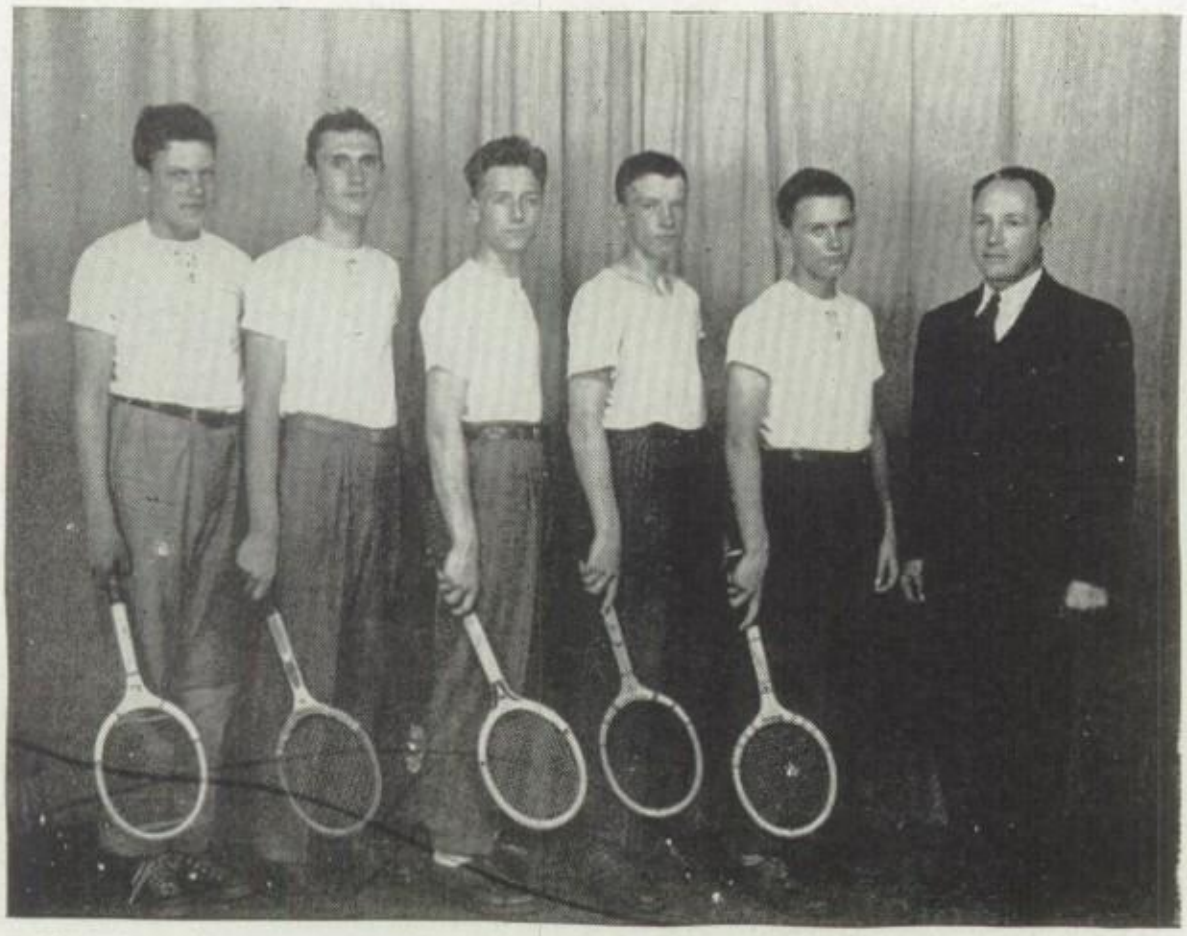
Row 3: Strader, Huffer, Shaul, Casey, Belangee.
Row 4: McKinley, Fox, Chamberlain, Douglas, Rousey.



Clifton Huffman, Chas. Huffman, Webster, Stewart, Dunham, Coach Overman

Under the direction of Claude Roney, the linksmen completed a highly successful season, finishing as they did last year, in third place in the North Central Conference. Included in the victories were wins over Marion and Elwood (twice) and a four-way win over Logansport, Muncie Central and New Castle.

Returning lettermen from last year were Jim Hamilton, Dick Peck, Dick Davisson, and Frank Phelps.

Dick Peck was last year's winner of the Jack Zoll Memorial Trophy.

GOLF SUCCESSFUL; TENNIS REESTABLISHED

With the reestablishment of tennis as an AHS sport, the athletic program embraced a total of eight sports this year. Under the coaching of Marion C. Overman, the team competed in the North Central Conference with a schedule of eight matches carded.

The squad practiced on the Riley School courts and also held the home matches there.

Two seniors and three sophomores formed the squad, with Don Stewart, Dick Webster, Charles Huffman, Clifton Huffman, and Howard Dunham receiving letters at the end of the season.

Special Events Highlight Year

Participating in a play day at Ball State Teachers College on April 3, attending a G. A. A. state camp at Shakamak State Park on April 30 through May 2, and the presentation of the annual Mother-Daughter Banquet on May 20 were the outstanding highlights of an active year for the Girls Athletic Association.

Other highlights of the year for the organization included the following activities: Yuletide Frolic on December 16; candlelight installation February 24; Big Sister- - - Little Sister Party March 2.

Under the sponsorship of Mrs. Delilah Porter, the girls' physical education teacher, a well-rounded athletic program was followed with the activities including rotation soccer, baseball, basketball, tumbling, volley ball, volley ring and ring toss.

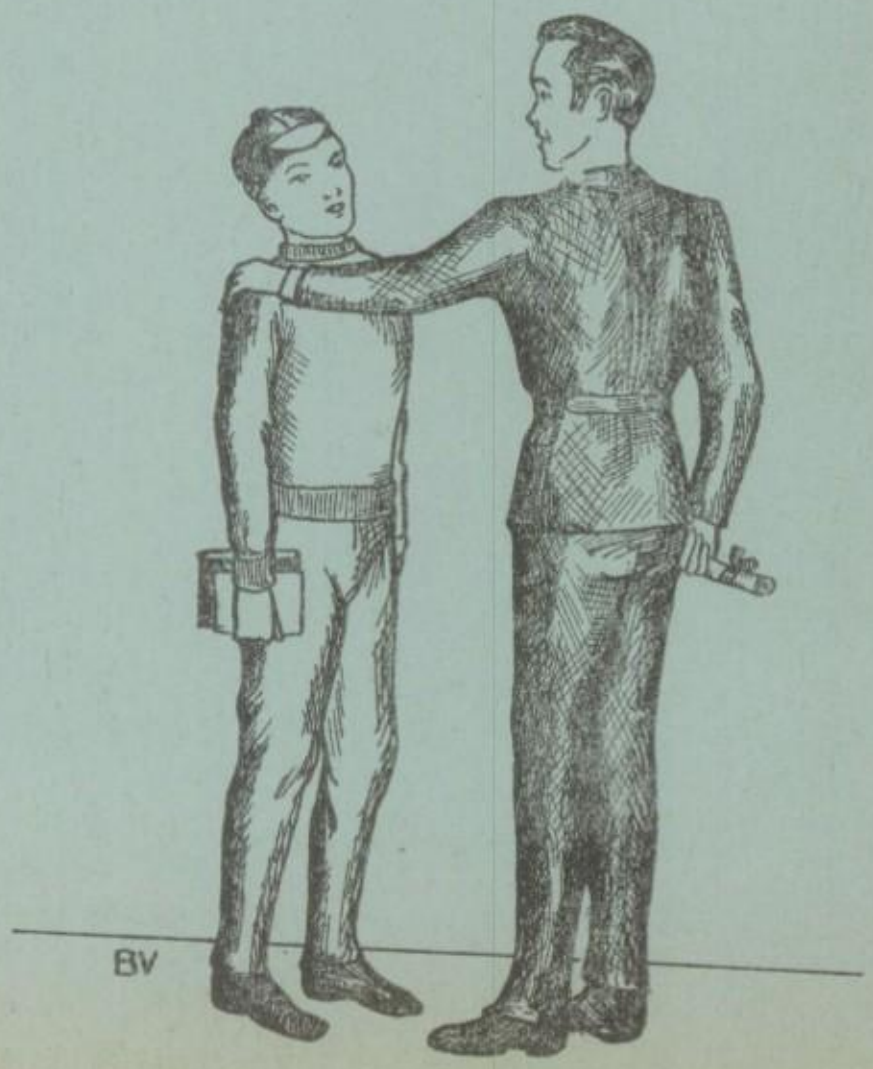
In addition to the Sportsmanship and Honor Awards, several other yearly awards were given. These awards, the Indian head monogams, the "A" letters and the state awards, are given on a point basis. Points are awarded to the girls in recognition of participation in organized games, and unorganized or outside activities, and are also given on the basis of tests, both written and skill.

To qualify for the awards a girl must have 150points for an Indian head monogram, 250 points for an "A" award, and 350 points for a state award. The awards are highly coveted by the G. A. A. girls because of the fact that much time and effort and natural ability are required to qualify for one of these honors.

Presented by Mrs. Porter the awards were received by the winners at the annual spring Honor Day convocation.

Serving as officers of the organization this year were three seniors and one junior. The president was senior Betty Joyce Stinson. Juanita Bevilhimer, another senior, was vice president, while junior Pat Alexander was secretary. Treasurer for the oganization was senior Emma Lou Clifton.

CLASSES



Commencement Speakers

Each year for many years, seniors of Anderson High School have been chosen to represent their class as speakers at Commencement. Those who would like to have this honor try out at the beginning of the year, and from this group four are chosen by a faculty committee. The speakers this year and their topic are: Gracia Ripple, "American Ideals--Fact or Fiction"; Jack Nicholson, "Hoosier-ama"; Betty Ann Poor. "The Play and the Players"; and Joe Fox, "Education and Athletics."

Seniors Farewell to A. H. S.

From the time he enters high school as a freshman each student looks forward to becoming a senior. The senior has many privileges that the underclassman does not have, in addition to enjoying a feeling of accomplishment.

The first job of a student is to choose from the wide variety of courses Anderson High School offers, the one which will help him most after graduation. It is a great satisfaction to complete his chosen course and to march in cap and gown to take that diploma which he has worked so hard to attain.

It is an inspiration to be a senior and to participate in the many activities. An active Senior Week came to a close this year at Commencement June 3.

America needs what the Graduating Class of '48 has to offer

America needs your intelligence, your ability to think problems through.

America needs your tolerance, your ability to work in harmony with people of all creeds, races and religions.

America needs your spirit of competition and fair play, your determination to work and get ahead by your own efforts.

These are qualities which are always "in demand" because they are the basis of American democracy.

Delco-Remy extends its best wishes to the Class of '48.
